A man with a beard and sunglasses, wearing a brown leather jacket and a fedora, sits in the driver's seat of a gold-colored car at night. He is holding a brown electric guitar. The car's door is open, and the background shows a brick building with lit windows. The text "SHAWN DANIELS" is overlaid in large, bold, orange letters with a black outline.

ABOUT **SHAWN DANIELS**

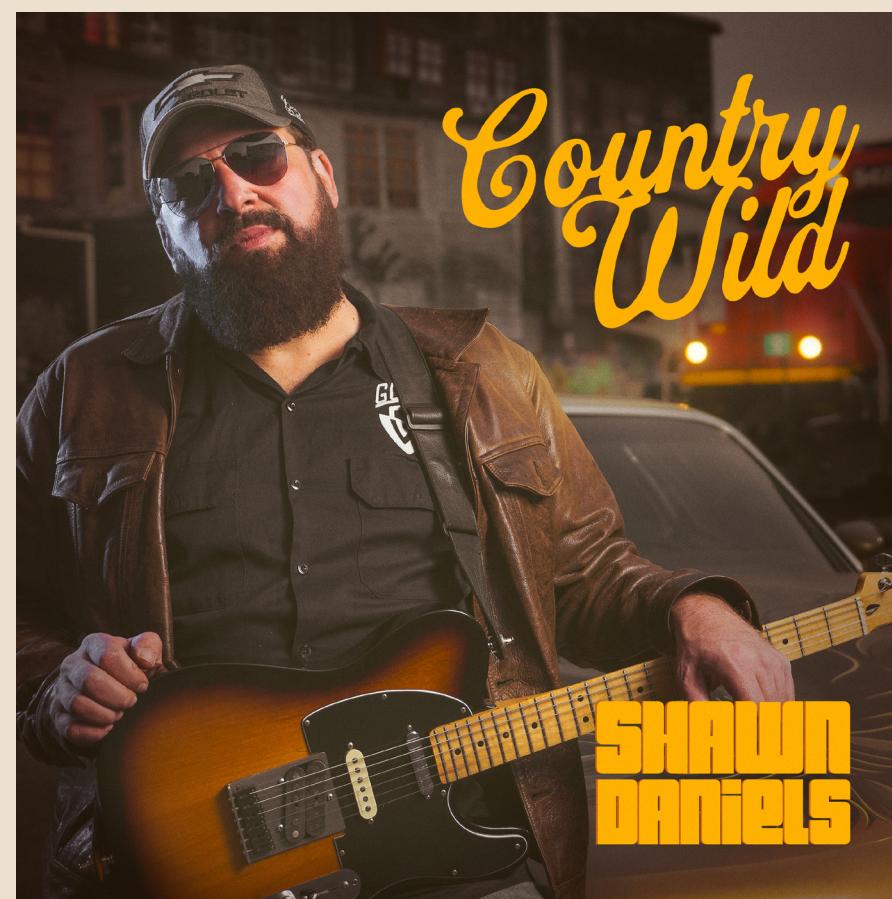

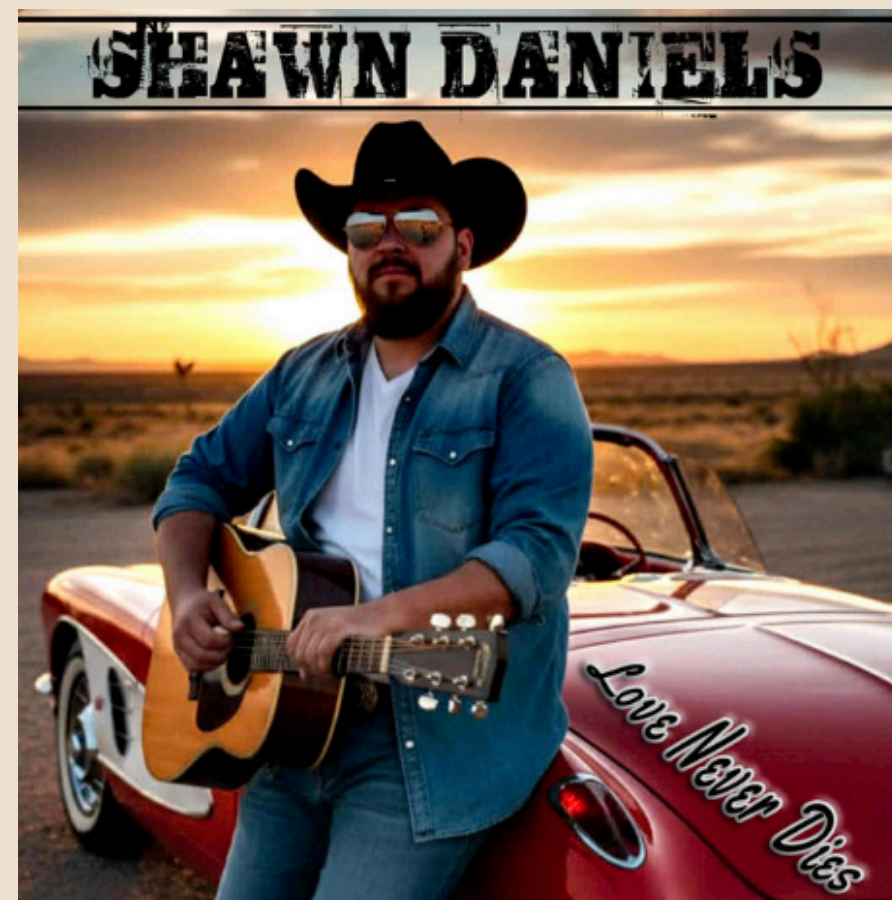

Canadian country recording artist **Shawn Daniels** is blazing his own trail through the modern country landscape with a sound that's as bold and untamed as the stories he tells. Blending gritty outlaw spirit with a contemporary edge, Shawn channels raw emotion and authenticity into every note – a reflection of a life lived fully and fearlessly.

From small-town roots to big-stage ambitions, his music captures the pulse of real life – love, loss, hard work, and the fire that keeps you pushing forward. His breakout single “**Louder Than Ten**” set the tone with its driving energy and powerful message about standing tall and speaking your truth, while “**Country Wild**” celebrates freedom, grit, and the open-road lifestyle that fuels his artistry. His latest single, “**We All Find A Way**,” dives deeper, offering a heartfelt anthem of perseverance and redemption that showcases his evolution as both a storyteller and performer.

Before launching his solo career, Shawn led Canadian country band Me & Mae, performing at major festivals and venues across Canada, and garnering radio play from coast to coast. Years of touring and fronting Me & Mae shaped Daniels into the powerful live performer he is today – a commanding frontman with the ability to turn every show into an unforgettable, high-octane experience. His live performances radiate authenticity, heart, and the untamed spirit that defines him as an artist.

With a voice that commands attention and a stage presence that embodies confidence and conviction, Shawn Daniels is part of the new generation of country artists redefining what it means to be an outlaw. He's not just making noise – he's making his mark, song by song, story by story.
